The really important things start small.  
They start with just a bit of hope.  
They start with just a little plan.  
They start with just a glimpse of what could be.

They start with just a prayer.  
The really important things start small.  
The key is that they start.

How?

Follow Jesus. Go where he goes. Live like he lives. If we unite our lives with Jesus' life then we will see the kingdom of God everywhere growing all around us.
