

A Message from The Pastor

Christ is risen! He is risen indeed! We have celebrated Easter, and now we return to our daily lives. But how do we keep the joy of Easter with us for the rest of the year?

Here are a few suggestions:

Remember the empty tomb. The empty tomb is the evidence of Jesus' resurrection. It is a reminder that death is not the end. Jesus has conquered death, and through his resurrection we can experience ours .

Live in the promise of eternal life. Easter is not just about the past. It is also about the future. When we die, we will be raised to new life, just as Jesus was raised. This gives us hope for the future, even when things are difficult in the present.

Become a witness to the resurrection. The empty tomb is something that we are called to share with others. When we live our lives in the light of the resurrection, we become witnesses to the hope that is found in Jesus Christ.

Easter is a time of great joy, but it is also a time of challenge. We are called to live in the light of the resurrection, even when things are difficult. When we do, we can experience the joy and hope that comes from knowing that Jesus is risen indeed!

May the joy of Easter fill your heart and your life all year long!

Blessings,

Pastor Vic
